

Program News

Citizen Advocacy hosted an event for International day of People with Disability

Other community groups came along to do sports and art

We had an ice cream truck so people could have free ice cream

Everyone had fun at the event

We went to a special afternoon tea at Parliament House to celebrate International Day of People with Disability

We met with Hannah Beazley MLA and many others to talk about inclusion

The event celebrated the great skills and ideas that people with disability have

Together, we will keep working to help everyone live their best lives
