The ladies at citizen advocacy have written a newsletter.

It is to tell you what they have been doing from January until now.

We hope you enjoy this newsletter.

## From the office

Welcome to our first newsletter of 2026.

This year we will focus on communicating more with people in our program and offering extra support.

Citizen Advocacy believes our community is strong when we are all connected.

We want everyone in our program to know about our projects, events and important stories.

**MARCH**

March is a season of growth and fresh starts.

This is a perfect moment for everyone's voice to be heard.

We will continue to share our news with you.

## Case Study

Carly was not happy with her public guardian. She felt she was not being listened to.

Her Advocate Rhianne supported her and helped her make an appeal.

Carly's sister is now her guardian.

Carly is happy with her new guardian and excited for her future.
